Announcement.

We take pleasure in announcing the affiliation of D. A. Kirkland, the well-known Jasper Avenue jeweller, with the Canadian wide organization of Henry Birks & Sons Limited.

The Birks business was founded in 1879 by Mr. Henry Birks in Montreal. Mr. Birks is still President of the organization and is actively engaged in the main store in Montreal. The business has grown steadily with the development of Canada until it now extends from Halifax to Vancouver.

The affiliation reflects great credit on Mr. Kirkland personally, for his is the only store in the Dominion outside of the Birks' organization authorized to sell Birks' diamonds, Birks' silver, and the other wares of the Birks company. Kirkland's store more than ever should prove a magnet to the eyes of Edmonton's womenfolk, for in its windows and cases will be shown all the new whims and fancies of fashion sent post haste to Edmonton by the Birks' buyers from London, Paris and New York.

Quaker PUFFED WHEAT

Appetites are keen

WHEN the meal opens with Puffed Wheat or Puffed Rice, appetites don't lag. Little palates know these wholesome foods taste good. Little stomachs welcome them.

Such a variation from ordinary foods! Big, whole grains made delicious as nutmeats when puffed to eight times normal size. A wholesome food • • • for it is the whole grain with bran, mineral salts and all • • • satisfying. Pour whole milk or cream over Puffed Rice or Puffed Wheat and these intrig-uing grains will coax the child to take its needed milk food.
